

Robinhood Financial
SEC Rule 606 Report Disclosure
Third Quarter 2019

Robinhood Financial ("Robinhood") has prepared this report pursuant to a U.S. Securities and Exchange Commission rule requiring all brokerage firms to make publicly available quarterly reports on their order routing practices.

The report provides information on the routing of "non-directed orders" - any order that the customer has not specifically instructed to be routed to a particular venue for execution. For these non-directed orders, Robinhood has selected the execution venue on behalf of its customers.
