#### Material Aspects:

UBS SECURITIES LLC (UBSS):

UBSFS is an affiliate of UBS Securities LLC; Both UBSFS and UBS Securities LLC are registered broker-dealers that are wholly owned by UBS AG, a publicly owned Swiss banking corporation; UBSFS sends orders in certain listed options to UBS Securities LLC, which re-routes those orders to various other venues for execution, subject to principles of best execution.

CBOE STOCK EXCHANGE (CBSX):

The net payments reflected above solely include transaction fees paid to and rebates received from the CBOE, UBSFS, in accordance with CBOE's publicly provided volume-tier schedule. Exchange fees and rebates may vary for specific clients, Please note that CBOE in its sole discretion may add, remove, and change volume tiers as well as exchange fees and rebates month-to-month, Overall transaction fees and rebates for CBOE transactions executed by UBSFS will vary month-to-month depending on trading activity level including volume and type of order flow. From time to time, the amount of rebates that UBSFS receives from an exchange may exceed the amount of fees that UBSFS is charged by such exchange. In these limited circumstances, the receipt of net payments from an exchange would constitute payment for order flow. More information about CBOE's pricing schedule is available at: <http://www.cboe.com/trading-resources/fee-schedules> Please note that UBSFS does not base equities or options order routing decisions on the receipt of payment for order flow. To the extent that any exchange provides UBSFS with a rebate or similar payment, such payments: (i) are provided according to exchange fee schedules and rules approved by the SEC; (ii) are not actively solicited or sought after by UBSFS; (iii) if received, are de minimus; and (iv) do not influence UBSFS's order routing practices, which are determined by UBSFS's duty of best execution. UBSFS effectively manages this potential conflict of interest by (i) providing customer disclosures regarding its payment for order flow practices; (ii) not seeking out or negotiating payments for order flow; and (iii) making order routing determinations wholly independently from any rebates or similar payments that UBSFS may receive.
