Material Aspects:

CITADEL SECURITIES LLC:

Raymond James & Associates, Inc. ("RJA") retail options desk did not receive payments for option orders routed to Citadel Execution Services ("Citadel"), nor did it receive any exchange rebates or credits. Citadel paid the exchange, regulatory, market data and clearing fees for such option orders.

Dash/IMC Financial Markets:
Raymond James & Associates, Inc. ("RJA") retail options desk did not receive payments for option orders routed to DASH/IMC, nor did it receive any exchange rebates or credits. DASH/IMC paid the exchange, regulatory, market data and clearing fees for such option orders.

Wolverine Execution Services, LLC:
Raymond James & Associates, Inc. ("RJA") retail options desk did not receive payments for option orders routed to Wolverine Execution Services, LLC ("Wolverine"), nor did it receive any exchange rebates or credits. Wolverine paid the exchange, regulatory, market data and clearing fees for such option orders.

NYSE ARCA OPTIONS:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the NYSE Arca Options (ARCO), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute client institutional option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and ARCO: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the ARCO, including the pricing tiers offered and the pricing for each tier, is available at: https://www.nyse.com/publicdocs/nyse/markets/arca-options/NYSE_Arca_Options_Fee_Schedule.pdf . Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Global Execution Brokers LP:
Raymond James & Associates, Inc. ("RJA") retail options desk did not receive payments for option orders routed to Global Execution Brokers ("GEB"), nor did it receive any exchange rebates or credits. GEB paid the exchange, regulatory, market data and clearing fees for such option orders.

Nasdaq ISE, LLC:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the Nasdaq ISE (ISE), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional option orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and ISE: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the ISE, including the pricing tiers offered and the pricing for each tier, is available at: https://listingcenter.nasdaq.com/rulebook/ise/rules/ISE%20Options%207. Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Cboe Exchange, Inc.:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to Cboe Exchange Inc (CBOE), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional option orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and CBOE: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. that provide for volume-based tiered payment schedules; or D. that require a minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the CBOE, including the pricing tiers offered and the pricing for each tier, is available at: https://www.cboe.com/us/options/membership/fee_schedule/cone/. Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Nasdaq PHLX LLC:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the Nasdaq PHLX (PHLX), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute client institutional option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs, on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and PHLX: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the PHLX, including the pricing tiers offered and the pricing for each tier, is available at: https://listingcenter.nasdaq.com/rulebook/phlx/rules/Phlx%20Options%207 . Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Cboe EDGX Exchange, Inc.:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the Cboe EDGX Options Exchange (EDGX), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and EDGX: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the EDGX, including the pricing tiers offered and the pricing for each tier, is available at: https://www.cboe.com/us/options/membership/fee_schedule/edgx/. Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Miami International Securities Exchange, LLC:

Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the Miami International Securities Exchange Inc. (MIAX), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs, on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and MIAX: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the MIAX, including the pricing tiers offered and the pricing for each tier, is available at: https://www.miaxglobal.com/sites/default/files/fee_schedule-files/MIAX_Options_Fee_Schedule_04232024.pdf . Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

NYSE American LLC:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the NYSE American Options (AMXO), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and AMXO: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Cboe C2 Exchange, Inc.:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the Cboe C2 Options Exchange (C2), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and C2: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the C2, including the pricing tiers offered and the pricing for each tier, is available at: https://www.cboe.com/us/options/membership/fee_schedule/ctwo/ . Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

MIAX PEARL, LLC:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the MIAX Pearl Options Exchange (MPRL), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs, on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and MPRL: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the MPRL, including the pricing tiers offered and the pricing for each tier, is available at: https://www.miaxglobal.com/markets/us-options/pearl-options/fees. Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Regarding each section of this report, provided pursuant to SEC Regulation NMS Rule 606(a), the SEC has exempted broker-dealers from disclosing execution venues that received less than 5% of the non-directed orders covered by each section of the report, provided that the section discloses the execution venues that, in aggregate, received at least 90% of such non-directed orders.

Please note, the material aspects and relationships referenced herein are pertinent to only listed options, the Firm's report and material aspects for Regulation NMS securities is accessible via the following link: https://www.fisglobal.com/en/ptc/rule-606

Material Aspects:

CITADEL SECURITIES LLC:
Raymond James & Associates, Inc. ("RJA") retail options desk did not receive payments for option orders routed to Citadel Execution Services (“Citadel”), nor did it receive any exchange rebates or credits. Citadel paid the exchange, regulatory, market data and clearing fees for such option orders.

Dash/IMC Financial Markets:
Raymond James & Associates, Inc. (“RJA”) retail options desk did not receive payments for option orders routed to DASH/IMC, nor did it receive any exchange rebates or credits. DASH/IMC paid the exchange, regulatory, market data and clearing fees for such option orders.

Wolverine Execution Services, LLC:
Raymond James & Associates, Inc. (“RJA”) retail options desk did not receive payments for option orders routed to Wolverine Execution Services, LLC (“Wolverine”), nor did it receive any exchange rebates or credits. Wolverine paid the exchange, regulatory, market data and clearing fees for such option orders.

Global Execution Brokers LP:
Raymond James & Associates, Inc. (“RJA”) retail options desk did not receive payments for option orders routed to Global Execution Brokers (“GEB”), nor did it receive any exchange rebates or credits. GEB paid the exchange, regulatory, market data and clearing fees for such option orders.

NYSE ARCA OPTIONS:

Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the NYSE Arca Options (ARCO), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute client institutional option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and ARCO: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the ARCO, including the pricing tiers offered and the pricing for each tier, is available at: https://www.nyse.com/publicdocs/nyse/markets/arca-options/NYSE_Arca_Options_Fee_Schedule.pdf . Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Cboe Exchange, Inc.:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to Cboe Exchange Inc (CBOE), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional option orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and CBOE: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. that provide for volume-based tiered payment schedules; or D. that require a minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the CBOE, including the pricing tiers offered and the pricing for each tier, is available at: https://www.cboe.com/us/options/membership/fee_schedule/cone/. Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Nasdaq PHLX LLC:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the Nasdaq PHLX (PHLX), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute client institutional option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs, on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and PHLX: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the PHLX, including the pricing tiers offered and the pricing for each tier, is available at: https://listingcenter.nasdaq.com/rulebook/phlx/rules/Phlx%20Options%207 . Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Nasdaq ISE, LLC:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the Nasdaq ISE (ISE), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional option orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and ISE: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the ISE, including the pricing tiers offered and the pricing for each tier, is available at: https://listingcenter.nasdaq.com/rulebook/ise/rules/ISE%20Options%207. Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Miami International Securities Exchange, LLC:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the Miami International Securities Exchange Inc. (MIAX), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs, on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and MIAX: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the MIAX, including the pricing tiers offered and the pricing for each tier, is available at: https://www.miaxglobal.com/sites/default/files/fee_schedule-files/MIAX_Options_Fee_Schedule_04232024.pdf . Material Aspects:

Dash/IMC Financial Markets:
Raymond James & Associates, Inc. (“RJA”) retail options desk did not receive payments for option orders routed to DASH/IMC, nor did it receive any exchange rebates or credits. DASH/IMC paid the exchange, regulatory, market data and clearing fees for such option orders.

CITADEL SECURITIES LLC:
Raymond James & Associates, Inc. ("RJA") retail options desk did not receive payments for option orders routed to Citadel Execution Services (“Citadel”), nor did it receive any exchange rebates or credits. Citadel paid the exchange, regulatory, market data and clearing fees for such option orders.

Wolverine Execution Services, LLC:
Raymond James & Associates, Inc. (“RJA”) retail options desk did not receive payments for option orders routed to Wolverine Execution Services, LLC (“Wolverine”), nor did it receive any exchange rebates or credits. Wolverine paid the exchange, regulatory, market data and clearing fees for such option orders.

Global Execution Brokers LP:
Raymond James & Associates, Inc. (“RJA”) retail options desk did not receive payments for option orders routed to Global Execution Brokers (“GEB”), nor did it receive any exchange rebates or credits. GEB paid the exchange, regulatory, market data and clearing fees for such option orders.

NYSE ARCA OPTIONS:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the NYSE Arca Options (ARCO), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute client institutional option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and ARCO: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the ARCO, including the pricing tiers offered and the pricing for each tier, is available at: https://www.nyse.com/publicdocs/nyse/markets/arca-options/NYSE_Arca_Options_Fee_Schedule.pdf . Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Nasdaq PHLX LLC:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the Nasdaq PHLX (PHLX), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute client institutional option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs, on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and PHLX: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the PHLX, including the pricing tiers offered and the pricing for each tier, is available at: https://listingcenter.nasdaq.com/rulebook/phlx/rules/Phlx%20Options%207 . Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Cboe Exchange, Inc.:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to Cboe Exchange Inc (CBOE), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional option orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and CBOE: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. that provide for volume-based tiered payment schedules; or D. that require a minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the CBOE, including the pricing tiers offered and the pricing for each tier, is available at: https://www.cboe.com/us/options/membership/fee_schedule/cone/. Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Nasdaq ISE, LLC:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the Nasdaq ISE (ISE), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional option orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and ISE: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the ISE, including the pricing tiers offered and the pricing for each tier, is available at: https://listingcenter.nasdaq.com/rulebook/ise/rules/ISE%20Options%207. Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Miami International Securities Exchange, LLC:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the Miami International Securities Exchange Inc. (MIAX), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs, on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and MIAX: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

MIAX Emerald, LLC:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the MIAX Emerald Options Exchange (MIAX EMLD), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs, on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and MIAX EMLD: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the MIAX EMLD, including the pricing tiers offered and the pricing for each tier, is available at: https://www.miaxglobal.com/markets/us-options/emerald-options/fees. Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Nasdaq MRX, LLC:

Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the Nasdaq MRX (MRX), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional option orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and MRX: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the MRX, including the pricing tiers offered and the pricing for each tier, is available at: https://listingcenter.nasdaq.com/rulebook/mrx/rules/MRX%20Options%207. Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Cboe C2 Exchange, Inc.:
Raymond James & Associates, Inc. (RJA) Institutional Options Desk routes to the Cboe C2 Options Exchange (C2), utilizing algorithms provided by either Dash Financial Technologies (DASH), Wolverine Execution Services, LLC (WEXX) or Matrix Executions (MTRX), as a primary routing venue for institutional options orders. When RJA utilizes either the DASH, WEXX or MTRX's algorithms to execute institutional client option orders, those providers make the routing venue determination. RJA pays DASH, WEXX or MTRX a fee to utilize their services utilizing a cost-plus model where RJA pays commissions plus exchange, regulatory, market data, and clearing fees and receive exchange rebates where applicable. These rebates are based on the amount of payment that the algorithm provider receives, from exchange-sponsored programs on the option exchange on which the option order was executed. RJA does not have any arrangements with WEXX, MTRX and C2: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; C. for volume-based tiered payment schedules; or D. for minimum amount of orders. RJA does not have any arrangements with DASH: A. that provide incentives to RJA for meeting or exceeding certain volume thresholds; B. that provide disincentives to RJA for failing to meet certain minimum volume thresholds; or D. that require a minimum amount of orders but does have an arrangement with Dash for C. volume-based tiered payment schedules. DASH charges RJA between $.03 and $.05 per contract based on a tiered payment schedule and $.25 per global trading hour option contract. WEXX charges RJA $.05 per contract based on the method of transaction. MTRX charges RJA between $.04 and $.05 per contract based on the method of transaction. A description of the fees and rebates offered by the C2, including the pricing tiers offered and the pricing for each tier, is available at: https://www.cboe.com/us/options/membership/fee_schedule/ctwo/ . Client inquiries pertaining to fees and rebate information on client transactions are available upon request.

Regarding each section of this report, provided pursuant to SEC Regulation NMS Rule 606(a), the SEC has exempted broker-dealers from disclosing execution venues that received less than 5% of the non-directed orders covered by each section of the report, provided that the section discloses the execution venues that, in aggregate, received at least 90% of such non-directed orders.

Please note, the material aspects and relationships referenced herein are pertinent to only listed options, the Firm’s report and material aspects for Regulation NMS securities is accessible via the following link: https://www.fisglobal.com/en/ptc/rule-606
